1 Free 8x10 Family Christmas Photo

This Christmas is probably unlike any other time that I can remember in my young 35 years. I also realize that families have to cut back this Christmas due to the economy. That is why I am offering you and your family 1 free 8x10 photo this Christmas. Christmas is about giving and this is what I am giving this year to anyone who want to receive it.

If you want to pay for extra photos, I am going to advise you to visit any one of our great local photographers here in Bakersfield. This gift is for those who do not have the means to pay for a family photo. Thank you for your time and I hope to see you on December 20th, in case I don't Merry Christmas!
